**RENEWED PETITION UNDER 37 CFR 1.181**

Hon. Commissioner of Patents  
Washington, DC 20231

**RECEIVED**

OCT 05 2001

**OFFICE OF PETITIONS**

Sir:

This petition is a renewed request for withdrawal of the holding of abandonment of the above-identified patent application. This is in response to the Decision mailed on September 21, 2001, and the earlier Petition to Revive submitted by Applicants on June 12, 2001.

The June petition was found insufficient because of two reasons addressed as follows:

(1) the undersigned respectfully advises that a thorough search of the application file jacket and docket records was conducted and that the search revealed that the Notification of Missing Requirements was not received by the firm; and

(2) a docket listing, as requested in the Decision for the dates of December 3 and December 4, 2000, is unavailable due to the docketing technology of the firm. As a substitute therefore, Applicants' agent provides herewith a copy of the mail log maintained by the firm for

the period November 3 through November 8, 2000 as proof that the Notification of Missing Requirements, for which a response was due December 4, 2000, was not received by the firm.

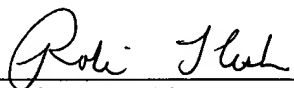

As discussed with Mr. Bryan Tung of the Petitions Office on even date, the docket system of our firm unfortunately does not provide for past docket records, i.e., five months prior, to be printed out electronically. Therefore, this mail receipt record is provided as an alternative thereto.

Based thereon, withdrawal of the previous holding of abandonment under 37 CFR 1.181 is respectfully requested.

As stated in the aforementioned Decision, this response is being filed prior to the expiration of two months from the date of mailing of the Decision (i.e., September 21, 2001), therefore, no petition fee is due. If the Petitions Examiner has any questions associated with this Renewed Petition, it is respectfully requested that the undersigned be contacted at (703) 905-2200.

Respectfully submitted,

PILLSBURY WINTHROP LLP
